

Paul finishes off the old year in fine style 3/1/08

ONE of the last road races of 2007 took place on Boxing Day as East Hull Harriers hosted their annual 10Km race.

Whilst most people spend Boxing Day recovering from the day before, or are out at the sales, an ideal day for racing was had by Pocklington Runners' very own Paul Sheridan who broke the mould and did battle with 200 other competitors at this year's event.

After another successful performance he crossed the line in an excellent time of 47:50 to give him 72nd position overall - and of course first Pocklington Runner home.

Well done to Paul as he finished off an excellent 2007 and good luck to him and to all Pocklington Runners both young and old for 2008.
