

MARATHON MAN ... Vet Clive Reid takes part in the 23rd London Marathon on Sunday

Mr Reid, from East Cottingwith, is running the 26-mile route for the David Shepherd Wildlife Foundation which saves endangered animals in the wild. He aims to raise £1,000.

Mr Reid, 58, is a member of Pocklington Runners.

He said: "I'm still not quite used to the shock at the end, no matter how many times I do it!

"But I enjoy the atmosphere, it's a great day out."
