

Young runners perform well

15/7/10

LAST Friday evening three of Pocklington junior runners made the journey to Walkington to race in the 1.75 mile fun run and despite the warm conditions they all churned out some excellent runs and came away with some excellent times.

First home for Pock was Lloyd Garland who crossed the line in 8th position out of a field of 177 other runners and stopped the clock at 10.58. Our other two runners brother and sister Amy and Joshua Sampson ran the race together and as the finishing line approached Joshua just got the better of Amy and so crossed the line in 13.25 with Amy only a matter of a few strides behind finishing in 13.28.

Well done to all three of our juniors, these are our stars of the future and names to watch out for.
