Secretary,s Report

Rocky reported that 2006 had be a good year as more clubs send entry forms but more are becoming available on the internet including registrations.

The monthly meeting have been a great use as they keep everyone up to date with club matters via E.Mail.

Everything is in place for Snake Lane Police informed, Doctors informed and mile marks repainted.

Membership is still at a good level and increasing with three new members joining the club tonight.

Treasurer's Report

Kath reported that the accounts are healthy and balanced as seen in the hand out's.

The club has 116 paying members and 21 cross country subs plus a subscription to Runner's World.

Snake Lane accounts are balanced and ok the club bought a P.A system from the proceeds there were no questions on the accounts.

Social Secretarys's Report

Mike was absent but sent his apologies and reported via Kath that he was willing to continue as social secretary for 2007 and he has some ideas for social events in the near future information soon.

Summer 10K Report

Simon reported that we had 41 runners entered in the league and hoped that we could do similar in 2007 our ladies got third place in the league.

The League meeting is at the end of February and Simon is to attend and report back with the dates and races as soon as he receives them.

Winter Cross Country

Alan reported that we had not done so well this season and we are at present in seventh place in the league of eight but everyone seems to be enjoying the races.

Junior Runner's

Kath reported the club has at present got 48 juniors on the books and that on a Monday night they have 26 training regularly.

Alan thanked the helpers for their time and effort on a Monday.

Snake Lane

Kath told us that Snake Lane had filled to capacity in only 55 days and that we have a waiting list of 20.

Beverley AC asked us to reserve 40 places as this is their club handicap but they have messed us about and generally been disorganised this has hinderd Uk Results getting names of runners on to the web site.

Alan still has to enquire about the use of Woldgate car park also we need to see if we can get use of Sundoras car park via the security firm.

If you are not running Snake Lane marshals are required to provide assistance on race day so if you are available can you contact Dave Bee 01759 304908 or E.Mail dave.kath@tiscali.co.uk many thanks.

Subscriptions

It was decided that the subs should stay at the present level of £15 for seniors £5 for juniors and £7.50 for second claim members and can I remind you all that the subs are now due many thanks.
