Apologies

Adele n Colin S, Shanie Y, Rod n Jackie, Tracey B, Diane T, Rachael H, Graham S, David I.

Meeting Opened 20.40

Previous Minutes

Alan read the minutes of last months meeting there were no queries.

Thixendale

Next Wednesday the 6th of May is our regular visit to Thixendale usual format meet at the pub at 18.30 to run at 18.45 have a run and stay for a meal after we will no doubt need to order food prior to the run.

10K League

Tuesday the 12th of May is the first race in the series of races and it is our race at Pocklington, Simon has sold a good amount of numbers.

Most importantly to make this event a success we need marshals to steward the course due to the lack of Police presence this year also no P.C.S.O's are on shift this means it is up to us to man the course fully and the race is **only two weeks away so it is a matter of urgency to fill the marshal post's prior to race day.**

If you are running the race can you provide a marshal and if you are not running could you help out with car parking or manning a junction its only for a short while if you are available could you let Dave Bee our marshal coordinator know on 01759 304908 or E.Mail dave.kathbee@tiscali.co.uk many thanks.

London Marathon 2010

Alan reported that you need to apply now on line if you want to get be in with a chance of a ballot place.

Club places apply in October this year.

Footloose

Footloose is a local shoe shop in Pocklington and have contacted Rocky to offer 10% discount on asics running shoes to the club members Rocky is to contact Liz to discuss further details regards advertising sponsorship?.

Club Kit

Sarah now has a Ron Hill vest that has the new footprint logo's on and it looks good the best deal is to order fifty at a cost of £14 each the less we order the more we pay Kevin pointed out that a good running vest would be about £20 from a sports shop, a vote was taken and was proved unanimous that we order fifty vests after Sarah H has mailed everyone to get preliminary orders and Alan proposed we borrow the money from the Snake Lane account to make the purchase of the vests then refund the account when members pay.

Otley 10 miler

Marcus reported that the bus company's that he has contacted were unable to provide a bus as the drivers were on school runs in the morning after the race so the drivers would be out of time a self drive mini coach was another option but it was decided to travel in cars and the idea of going to the Indian Restaurant was put on hold as a time factor of being about ten o'clock when you get a meal.

Alan proposed that a social event to the Restaurant on a Saturday night would be organised later.

Meeting Closed 21.05
