Snake Lane

The race went very well and was a great success as the men's record was broken by 30 seconds and also the British record for women over 60.

We only encountered a couple of problems with parking this was due to traffic and parking on Percy Road but next year we will have cones as advised by the Police the other problem was the abuse of the marshals due to people being down right rude to them.

The wind sails we had for the finish were a great help this year and made the finish very visible to the runners. Next year we will have maps with alternative parking and toilets marked to be sent out with the numbers to the runners this should help with parking ect.

Thanks to everyone who helped and marshalled on the day.

Snake Lane Dinner

Forty nine of us went to the Feathers Hotel on Sunday night after the race and everyone enjoyed themselves and the meal many thanks to Mike for organising everything.

Summer League

The first race is Pocklington and this is on the 8th of May 2007 Rocky has already applied for the permit. More info as soon as Simon gets the race details.

Grand Prix

Clive has posted a list of last year's results on the notice board for you all to view he has not set the races for the 2007 season but will do shortly.

Clive is also to look into setting the Grand prix races over different distances for next year as this year they will mainly be 10K's.

Ghost Walk

If anyone wants to go on the Ghost walk can you please put your name on the list on the club notice board to enable Mike to choose a venue to have a meal and a drink .

Mike is thinking of a ten pin bowling night or if you have any ideas for a social event put your views forward.

Happy Birthday
